Dear Friends of the Horse,

following the 10th anniversary of Oliveira Stables in 2025, a new annual event series will begin in 2027: the Waal Dressage Competitions.

Oliveira Stables in 86875 Waal will have existed for 12 years in 2027. During this time, numerous horses have been rehabilitated after suffering under the modern, performance-driven training system. The Waal Dressage Competitions offer guidance toward horse-friendly training and revive new yet time-honored images of horsemanship. We are returning to the 1960s – or even earlier.

Competitions do not need to be abolished – they simply require independent judges. Judges who are capable of recognizing whether horse-friendly training forms the foundation of each competition ride. To ensure the most diverse yet meaningful evaluation possible, there will be three judging panels:

- Panel 1:** Veterinarians, physiotherapists, osteopaths
- Panel 2:** Anyone who feels called to take on this role
- Panel 3:** Manuel Jorge de Oliveira

All riders within a class will perform the same test. The breed of the horse or your personal training approach is irrelevant – evaluation focuses exclusively on the ride itself and on whether it demonstrates riding that is fair to, appropriate for, and beneficial to the individual horse.

In the warm-up area, the following points will be monitored by us and by visitors: riding behind the vertical, the use of auxiliary reins, and overly tight nosebands or crank nosebands will result in elimination. Bit checks will be carried out using the index and middle fingers placed together; an FEI measuring device is unnecessary.

After three intensive days of dressage competitions (Wednesday – Friday), we will celebrate the horses on Saturday with beautiful, spectacular performances. On Sunday – the Day of the Horse's Education – we will once again immerse ourselves in valuable knowledge, supported by biomechanical facts, presented by veterinarian Dr. Birgit Schock.

All details regarding requirements, the general competition guidelines, horse equipment, costs, and registration options for spectators, riders, and judges can be found on the following pages.

We look forward to your active participation as a rider or judge, or to welcoming you as a spectator.
